Subject: Niagara Falls Blvd Removal Site - TDD Amendment Request (TO-0007-0014)
[Amendment 2.pdf](#)

Eric,

RST 3 would like to request a TDD amendment for the Niagara Falls Blvd Removal Site under TDD No. TO-0007-0014. As of January 20, 2017, RST 3 had utilized 1,915.5 hours of the budgeted 2,000 hours. An additional 150 hours is being requested to complete this phase of the field activities which is scheduled to be completed by the end of next week and also allow for the continued preparation of Site-related deliverables. I have attached the last TDD amendment for the assignment for your reference. I will be sending you the ID/IQ amendment request shortly. If you have any questions please let me know.

Thanks,

Timothy Benton, CHMM
